Encouragement from Our Pastor

Dr. Claybon Lea, Jr.

Dear Mount Calvary Family,

God has done and is doing great things!

One of the greatest things God has done for Mount Calvary is to lead you to become a member. We are a better church because of you. Thank you for all that you do to make Mount Calvary all that she is.

In January 2016, you helped our church launch our Lifestyle Stewardship Capital Campaign. We are grateful for all of you who made a two-year commitment to make lifestyle adjustments and give sacrificially to the campaign. We appreciate your First Fruits Sunday offerings and all you have given since then. We celebrate your service, spirit and sacrifices.

We are six months into our "Mission Possible: Possess the Land" campaign and excitement continues to grow. We have visited and prayed on the 60 acres of land that God has given us for our future. What an experience!

Just as our excitement continues to grow, our sacrificial giving must continue to grow as well. Remember, it is not equal giving but equal sacrifice that will propel us to victory. None of us are exempt from changes in our financial situations. Nevertheless, we encourage you to trust God, make lifestyle adjustments, and do your best to keep your financial commitment. God will honor you for honoring your commitment. We look forward to your continued support and partnership. There is nothing that we cannot achieve TOGETHER.

Possessing the Land,

Claybon Lea, Jr., Ph.D., D.Min.
Senior Pastor

Sustaining The Momentum

THE EXPANSION TEAM has the exciting opportunity to help sustain and build the momentum immediately after the initial commitment phase of the campaign. One of the primary responsibilities of the EXPANSION TEAM is to keep the Stewardship Campaign at a high level of visibility during the two-year giving period. The stewardship campaign should be maintained and enhanced through its giving phase.

THE PURPOSE OF EXPANSION TEAM is encouragement. Each of us makes important decisions to which we are faithfully committed. These decisions may include getting married, having children, accepting a job, and certainly giving ourselves to Christ. However, even in these important decisions we need to encouragement to do our best. A Capital Stewardship Campaign leads people to make important financial commitments to Christ and his church. Even a powerful, personal, prayerful decision needs continued encouragement. Decisions need to be updated and upgraded along the way.

THE MOTIVE FOR EXPANSION TEAM is spiritual. The motive is not money! The motive is enable people to do their best. The most damaging impact of an unkept commitment is not the financial loss suffered by the church, but the spiritual loss suffered by the Christian. In accordance with ability, people need to honor their carefully made commitments. Failure to do so is debilitating to spiritual life and growth. The high and holy motive for EXPANSION TEAM is the spiritual health and vitality of the Christian and the congregation.

This Lifestyle Stewardship Capital Campaign is a spiritual journey. If we, as individuals and as a unified church body, seek His face and follow His commandments, we will be blessed beyond measure.

Since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving. Colossians 3:23-24
