

8 Steps to Prayer and Consecration

1. Start each day with a prayer of thanksgiving and a declaration of desire to experience God's presence
2. Confess and repent of your sins, asking God to cleanse your heart and mind
3. Saturate your mind with God's Word (👉 read, listen to, study, memorize, meditate on and apply it)
4. Pay attention to and note how God directs your thoughts, interactions, decisions, emotions, etc.
5. Obey God immediately
6. Pray for a more intimate relationship with God and pray for others (including your church, pastor, family, friends, country and enemies)
7. Worship the Lord with songs of praise and trust
8. Follow these same steps everyday
