Happy 55th Anniversary Mount Calvary!

After more than a half-century of ministry, we continue to make ministry happen (James 2:17)! What a blessed church we are privileged to be a part of. We are a part of a church that is committed to the Great Commission. We share in a fellowship that has a clear mission. Our mission is to lead individuals into a dynamic relationship with Jesus Christ and to equip them for service to God and humanity. We are a church of fellow workers with God in ministry (1 Cor. 3:9). We are called to dynamic ministry to one another and to others. We are a church that is making a holistic difference in the lives of people on a daily and weekly basis through our ministry in the local community and around the world.

There are at least two undeniable facts about ministry, among others. First, ministry does not just happen. The church must be intentional and “make it happen!” Second, Pastor Henry Perkins, President of the California State Baptist Convention, reminded us some time ago that “ministry never stops!” Ministry requires us to constantly be both reactive and proactive - “making it happen.”

Your Senior Pastor,  
Claybon Lea, Jr., D.Min., Ph.D.
